

Raising awareness of the historical, natural and amenity value of Markeaton Brook including all brooks from Hulland Ward, Langley, Mackworth, & Quarndon into Derby Centre

Action Day for Wildlife February 23rd a success for Friends of Markeaton Brook

BBC Breathing Spaces funded the event and supplied the bird boxes.

Derbyshire Bat Conservation Group put up **20 bat boxes** and **10 bird boxes**, we planted **48 trees**, and helpers collected **14 bags litter**.

Derby City Council Street-Care and Parks departments loaned the equipment; Wild Derby gave the trees. The University of Derby staff opened the gates.

Thank you all
